

Beatrice (Betty) Marie Kinnaird (nee Dawes)

July 4, 1922 - May 29, 2020

Betty leaves behind her four children, whom she raised on her own: Holly Lukowich (Edward), Heather Courts, Philip Harrington (Elena) and Bruce Harrington (Patti).

Betty was a grandmother, a great-grandmother, and the best mother ever. She was the anchor that held her family together. Every Mother's Day, her birthday, and Christmas, she would have a party in her honour with as many family members as possible.

After the nest was empty, she contributed to charities that helped her raise her family in need (returning THE LOAN). Betty did Meals on Wheels until she was asked to retire due to her speeding.

Cremation has taken place and a family reunion celebrating her life was held June 3, 2020. Donations to Meals on Wheels would be appreciated by the family.

“ I have a lifetime of memories of Betty going back many years. I will miss our telephone talks and her presence. I will always remember her kind nature. The phrase one in a million would suite Betty to a T. She loved her family and would love to tell you how they were all doing. She was blessed as were they with a family that always made sure Betty enjoyed all the special occasions thru out the year. She was a mom worth spoiling.
You will not be forgotten by those who loved you.

“ Yes we will sure miss having Betty in our lives. She was such a gift to Uncle Jim and now he will be happy to see her again. I will always have a beautiful memory of Betty and Uncle Jim coming to visit me in Jasper years ago. We had such a great time. She had such an interesting life. Blessings to you all.

“ I love you Betty!!! Thank you for being a part of my life - and my Uncle's. What an incredible example of strength, courage, positivity and cheerfulness you were. I will always smile and think of you when I pass the Admiral in Hamilton. My deepest condolences to Holly, Heather, Phillip and Bruce and your spouses and families. She was so incredibly, incredibly proud of all of you and I don't ever remember a conversation with her in the 40 plus years that I knew her that she didn't speak of you all. You are all in my thoughts and prayers.
