Cathy was always up for a good time and a good laugh, and will be sadly missed by her many friends, including her best friends Joanne and Doug (Wendy), who were always there for her. Sincere gratitude to the staff, nurses, PSWs, doctors and dietician at Willowgrove in providing the utmost care for Cathy throughout her illness. Cremation has taken place. “ I worked with Cathy many years ago at the City. Cathy had a beautiful smile and a great sense of humour. Every April the Licensing Gang (as we call ourselves) get together and enjoy each other's company. I'm sharing a photo of the last time Cathy was with us. My sincere condolences to the family

“ As a former employee at City Hall, I have many fond memories of Cathy. With just a few kind words, her laughter and smile could always brighten anyone's day. Simply put, she was a joy to know.

Fondly remembered,

Grant

“ I spent many happy months living with my cousins and Aunti Dot & Uncle Jimmy. Cathy was always so good natured even when Claire and I tried to get Cathy to wash the dishes while the two of us dried them....don't remember where Peter was! Later Cathy must have forgiven me because she came to visit Bert and I during Expo 67.  
She will be greatly missed by her friends and family for her infectious laughter and joyful personality. Jane Reid

“ I remember it was the first time I brought my new born daughter to a family dinner and Cathy was so happy holding her. The smile on Cathys face is something imprinted on me. I also loved her sharp humour, and her great hugs. Rest peacefully.
