They walk beside us every day,
Unseen, unheard, but always near.
Still loved, still missed and very dear."

“ We were shocked to read of Dave's passing. Rita, we can only imagine the sadness for you and your family. We were fortunate to have shared some times together where Dave's humour and fun-loving ways were evident. You will cherish your many memories together as a couple and as a family. His legacy will live on through you, his children and grand-children. Take care of each other.

“ We've known Dave only a few years, however it didn't take long to see that he was a man we loved to be around. Dave had an incredible rapport with all who knew him. He had a great sense of humor and Roy thoroughly enjoyed every minute he spent with Dave at Copetown Woods. Roy, a little younger than Dave but referred to as "DAD" by his buddy, got a kick out of this, and as time went on, I was calling him "SON" as well. Often, while golfing, Dave would have Roy laughing hysterically when he'd say "Dad, can I have this or Dad, will you do this". It was ongoing and always fun to observe their antics. We will remember the good times, you won't soon be forgotten. Thanks for the cap Dave. Always, Roy and Mary Jones.
