“ My fond memories of Dave go back to our Dofasco days in the early 70's. He was selling tinsplate with Chi Doering and I was selling galvanized steel.. His irrepressible good will and positive attitude was infectious. While we have gone our separate ways for many years I count myself very fortunate to have known Dave. He was a true Gentleman.

My Condolences to Vera and the Waugh family.

“ Sending our condolences to Vera and family. I would run into him often at Fortinos Ancaster picking up a few things early in the morning...always had a laugh or two with him. He had joie de vivre....a gentle man...thinking of you. The Billeci's on Galley.

“ Vera and Family  
I have a lot of wonderful memories of years past when the families all got together. There was a lot of teasing between the brothers and sisters and cousins were not excluded in the teasing.  
I remember that Dave gave me much encouragement when I started at Dofasco as it was a brand new environment for me. He always had a smile for everyone and many, many stories to tell.  
Dave will always hold a special place in your heart and memories will bring laughter and not tears. He holds a spot in my heart and will be missed by so many.  
With Love

“ Leanne,

Your father (Mr Waugh to me!) was always a warm smile and a friendly greeting when I hung out on San Marino most of my childhood. I'm so sorry for your loss. My thoughts are to you and your family during this difficult time.

“ So sorry to hear of Dave's passing. I had an office down the hall from him at Dofasco and can still hear his stories and infectious laugh! A great sales person and good friend. Will miss seeing him at the Metro grocery store!

“ Thinking of you all, at this difficult time ...and hoping you will cherish the wonderful memories and values this fine , fine man instilled in all of you (and us), throughout his time here. Will be praying for you all continually for God's grace.  
Words can not express how much we will miss Mr. Waugh's love, his stories , his laughter, his generosity, and 'quick wit' - which are unmatched and unsurpassed. He will be missed.  
You opened your heart ...your home...your cottage...your all - and made us feel like 'your own'; and we can't thank you enough. Loved you my dear friend.

Sincerely,
