

# Jamie Dee Taylor

October 6, 1976 - July 16, 2020

It is with deep sadness that we share with you the passing of Jamie on July 16, 2020. Jamie is survived by his parents Chuck (Nicole) and Jackie. His loving son Bailey (Leia), and his sisters Sheila (Alan), Dana, and Terri (Steve). His step brother Billy. His nieces Justine (Dan), Melissa, Jorja, and Julia, and nephews Trevor, Alex and Orion. His many aunts, uncles and cousins.

Jamie was a talented artist, welder, sculptor, and motorcycle builder. He loved all bikes, motor and human powered, and was a skilled rider of both. Jamie leaves behind some custom builds and many pieces of art that will be cherished by his family. Jamie will be most remembered for his kind heart and his love of family. He was deeply devoted to those he cherished. Those of us left behind will surely always smile when the unmistakable sound of a Harley approaches.

A celebration of life will take place at a later date. In lieu of flowers, a donation to a charity of your choice would be appreciated.

“ One thing that is so prominent in my mind was how proud you were of the motorcycle you built..as you should be. You always made me laugh so hard. I'll never forget that summer we ate filet mignon from M&Ms 4 days in a row, and the trip to Wilkes Dam (that motorcycle wasn't built for two Lol!) and how even just thinking of Monster energy drinks, I see your face..You were always so full of life, kindness, and great humor. You were radiant and you left a mark on everyone you met. I still think of you often and it hurts my heart, but I can still hear your voice, your laugh, and see your smile in my mind. I hope that you never stop smiling, and that you never stop being you. Because you, are one in a million.... Rest in peace
