“ I have been away and just heard the news of Jeannie's passing. My strongest memory of Jeannie dates back to the early nineties, seeing her heading down Undermount in her bright green coat, always with a smile on her face and a wave to the neighbours. Sending condolences to you, Peter, and your family.

“ It was always a great delight to visit Jeannie and to share Holy Communion with her. She had a wonderful sense of humour and her laughter was contagious! During my last two visits with Jeannie, I had to search all over the Villa to find her because she had been given the run of the place!! Of course she had! Where some seniors have to be encouraged to see that they can make a difference where ever they are, Jeannie knew this intuitively. Her smiles, her sunny disposition, her wiggling-finger waves made a difference to every person who came in contact with her. We shall all miss her. Rest in Peace Jeannie.

“ Jeannie was part of the lifeblood of a close knit and strong community on Undermount when our family lived there. Having friendship with her son Peter allowed us to share in her passion of who-done-its, daily runs to the store for a bottle of coke and most of all always a lighted hearted sensibility of life's hardships. A grand lady who will be missed.

“ I will so miss little Jeannie. She always had a kind word and loved to look at her geraniums on the balcony. I helped her for several years to remain independent in her apartment before she went to The Villa.

“ I am so sorry to hear of 'Aunt Jeannie's' passing, I knew her all my life as she grew up a few houses from my mother, Barbara Wilson and they were lifelong friends. I'll watch for the Celebration of Life and bring my mother to it. Our condolences to you all, Dave Howitt
