“ Dear Marilynn and Joanne,
I am saddened to hear about a beautiful woman's, your mom, passing. My heart remains warmed whenever I think of Jean and Henry, you Marilynn and you Joanne. You are a treasure I am fortunate to have known in our formative years and still today.
I know how you both loved your mom as she was generous with all she cared for and loved. Her smile was unforgettable. The last time I saw her she shared how very proud she was of her two daughters.

I share your sadness.

When we can travel to Canada, I will come visit with a hug.

With love,
Cheryl
