

Judith Ann Hannah (nee Nicholson)

September 17, 1955 - February 19, 2022

It is with broken hearts we announce the sudden passing of Judith (Judy) Ann Hannah, shortly following her cancer diagnosis. Judy was the loving wife, best friend and soulmate of Ken Hannah. Very proud mother of Michael and Brett (Christine). Judy's joy in life were her grandchildren Nolan, Logan and Sadie. She loved them so much. Judy will be missed by her mother-in-law Mary Hannah. Survived by her brother John (Lori).

Judy's passion in life was helping people. She became a nurse and was employed at St. Joseph's Villa in Dundas. She truly loved working with the Elderly. Her other passion in life was being the life of the party. She could keep a party going for hours. Her fast wit and joke telling amazed people.

Judy will be remembered for winning the Athlete of the Day numerous times at the annual Gray Cup in Freelton. Judy will be missed by an unprecedented number of friends. Where ever Judy went, she brought smiles to peoples faces. I remember renting a condo in Venice Beach. Upon arriving at the pool, she did not know anyone. But within 30 minutes she knew them all. I would then watch as Judy went into action. The jokes kept coming. You could hear the laughter all around the pool. What an amazing woman.

Judy loved the annual trips to the north country. She loved the cottage. She was like a mermaid. We were all amazed how she could float on her back for hours.

We would like to thank the Doctors and nursing staff at the Juravinski Hospital 5th Floor Ward F for the love they showed to Judy. They are truly Professionals. A special thank you to Nurse Melvin. I could feel the warmth and compassion he felt towards Judy. You helped me through this terrible ordeal.

A celebration of life will take place at the Hamilton Air Force Association, 128 King St. E. Dundas, ON, on Saturday March 26, 2022 between the hours of 2 pm to 5 pm. According to Judy's wishes cremation has already taken place.

In lieu of flowers, donations to the Kidney Foundation of Canada would be appreciated.

“ I was so sorry to hear of Judy’s passing. I had the pleasure of meeting her when she visited my indoor playground with Ken and her grandchildren and we realized we had mutual acquaintances. Judy and I shared many laughs and she was one of my favourite customers. I wish I could have crossed paths with her again and told her how much I enjoyed her company. Sending our condolences to her family. She will be missed.

“ We have such happy memories of Judy. She was indeed always the life of the party. We had so much fun at the baseball games (not once watching the game). Judy always was positive and motivational and never once was she ever at a loss for words. Kenny, we are so sorry for your loss. Our world is diminished by Judy's passing.

“ We were so sorry to hear of Judy's passing. As many have already noted, Judy was a fun-loving, joke-telling [what a memory she had!] and social person, who made you smile whenever she came into your orbit. She will be sorely missed by those who knew and loved her. One of our funniest memories is from a long-ago outing at Como's in Niagara Falls, New York, when Vic and Judy tried to share a clams casino and ended up splashing the sauce on themselves.

“ I can't imagine that there was anyone who came into contact with Judy's free spirit and kind heart that didn't come away from it feeling better about themselves and happier that they lived in a world where people like her existed. She touched more lives than she ever knew and she will be missed.
Heaven just got a whole lot wilder!

Lots of love to Ken, Mike and Brett.

“ I'm so so sorry for your loss Ken, Michael and Brett. We still talk about the few years that Judy worked in the store and how she made everyone laugh and had the ability to look at the bright side of everything. She had that special personality that even during Covid you just had to give her a hug when you saw her. She was special person to call a friend.

“ When my family moved to Kemp Drive many years ago, Judy and I became instant friends. We were kindred spirits from that first meeting until the last time we were together just a few short weeks ago. She was a gift from the universe to me and many others. She shared her warm empathetic nature with all she met and for those of us fortunate enough to be her close friends. Her loving nature made each of us feel special. I will miss her always.

“ Dear Ken, Mike and Brett,
We cannot think of a better place to have set roots than on Kemp Drive in Dundas, right next door to you.
Mike, Brett, and my kids Lindsay and Andrew went to the same public school. And within 2 years in Dundas we moved next door to you. Such luck. We could call each other for anything, anytime.
With our first meeting in August 1991, Judy invited me into her home and introduced me to her "Princess Diana" living room. And laughs began that day. She said I would see a lot of her in the warm summer months as she would often be outside soaking up the sun. But in winter I wouldn't see her much. Very true, through to 2022.
We would often meet over the back fence in the warmer weather, chit chatting about everything under the sun while hanging up our laundry and often well beyond that chore. Or I'd be in my garden while she so rightly and happily soaking up the sun on her lovely deck. There'd be random unplanned short visits. We exchanged a few dinner visits but usually it was she and I on her deck , discussing life, our children, our happinesses and our sorrows such as losing parents. Yes her life was her family. She was very proud of her "3" boys. She was so good with my children, welcoming, laughing, joking with us all.
Judy you are sadly missed by we Browns, and so many other friends and acquaintences.
Your life taken too soon.
Judy, you will forever be in my heart dear friend.

“ Ken

Our sincere and deepest condolences to you and your family for the loss of the love of your life and amazing friend to so many. Judy was such a beautiful lady that made this world a better place by her love of life and genuine caring and interest in everyone she met. Judy always had a funny story and an amazing memory for rhyming off a number of jokes and had you in stitches from the minute she entered the room. Judy took such a deep interest and concern in what was happening in our lives and if you had any pictures she couldn't wait to see them. We had a conversation with Ken & Judy just before we headed south the end of January and she was her usual bubbly self closing with see you when your back home. We are heartbroken knowing that we have lost such a great friend. Rest In Peace until we meet again.

“ I was completely devastated by the news of Mrs. Hannah passing away.

Judy was like a second mother to me, as I'm sure many of Brett and Mike's friends would feel the same.

Always having a smile, a hug and asking how things were going.

Ken and Judy's house was always open to the friends of their children and always had plenty of food for us to eat.

As time goes by and life gets busy you forget how important people like Mrs. Hannah were to you in your life.

Mrs. Hannah had such a motherly way about her, that when I had both of my boys I made sure to introduce them to her.

She was always so excited when I would give her updates on the happenings of my life and always so supportive.

My heartfelt sympathies go out to you Mr. Hannah, she was truly one of a kind.

Brett and Mike you had such a great mom, she was one of the best!

We are deeply saddened by Judy's passing and we send our deepest condolences to the Hannah Family.
