

Kenneth Adam Mohart

August 8, 1968 - December 15, 2019

After a fierce battle with cancer, Ken passed away peacefully surrounded by his family on December 15, 2019 at St. Joseph's Healthcare Hamilton.

Beloved husband of Janice, loving and devoted father of Gabrielle and Alexandra.

Cherished son of Marlene Mohart, predeceased by Kenneth Alan Mohart Senior. Dear brother of Mandy Mohart, Richard Armstrong, Cheryl Armstrong, and Robert Armstrong.

Ken loved the outdoors and camping, even if it was just a night outside on the deck listening to music. As a music lover, Ken went to many live shows. Many of the tickets he won from various radio stations, turning winning radio contests into an art form. As an animal lover, Ken was never without a dog or two. Cooking came effortlessly for him, and his wife and children will greatly miss all the great meals he cooked. Ken was the owner of Izabel's Restaurant in Waterdown, recently featured on the show You Gotta Eat Here.

A very special thank you to the staff at St. Joseph's Healthcare Hamilton for their exceptional care and compassion. In lieu of flowers, memorial donations in memory of Ken can be made to St. Joseph's Healthcare Foundation.

A celebration of Ken's life will be held on Saturday, January 11, 2020. Service at 1 p.m., followed by reception until 3 p.m. at Circle of Life Cremation and Burial Centre, 100 King St. EAST, Dundas, ON (additional parking at the Air Force Club).

“ RIP Ken. It was nice to run into you a couple years ago at your restaurant in Waterdown. Thank you for letting me work along side you in the kitchen at Martha's. You were an amazing cook. It was a pleasure to have worked with you for a number of years.

Some memories I have are you calling into radio stations and winning tickets (always!) and rocking out to The White Stripes and Queens of the Stoneage. After much growing up and adulting, I'm sure you would be proud in my taste in music now as opposed to back then :) Till we meet again. Condolences to your entire family

“ I like to tell everybody if they don't already know how wonderful Ken is. Going back about 15 years ago. I met Ken or longer and he offered me a job .I was desperately looking for one. Just recently separated and barely could stand on my feet he gave me a job with no experience. As the years went on and I started working for him. I met somebody and we bought a house. Started renovating the house we bought but it need help... It was Christmas time and we had no kitchen and Ken said to me... Dee how about I cook you a turkey dinner for you to take home for christmas. It brought tears to my eyes especially the guy that lam dating today Ken introduce us . We're still together today. I will miss him . I feel life was not fair to him since he had such a huge heart and compassion .When you needed somebody he was always there. I did stop by his restaurant in Waterdown .He asked me if I could write a letter for him to be on a show .That same day I wrote a letter and sent it out and let him know that .I'm so happy he did end up being on the show. I will miss you.xo

“ When I met Kevin in 94, it was a package deal, I didn't only gain a boyfriend, I gained another best friend in Ken! I can't believe you're gone my friend! When I hear certain songs, I will always think of you! When we camp, I will always remember how much fun we had! And when I smell or eat certain foods, I will always remember the amazing creations you shared with us! You had this amazing ability to make everyone laugh in any situation and to view life with a fun & carefree perspective. Thank you for the love & laughter! We will miss you forever & remember always! Love you my friend

“ Kenny was the best big brother. He was protective and would fight my battles for me, whether I asked him to or not. Every year he would put so much thought into gifts that would challenge me or spark an interest into a new hobby. He got me musical instruments, my first cell phone, my first car stereo, my first science kit, and picked out my first computer which of course he insisted would be a Mac. I don't know if he ever felt it was cramping his style to bring his little sister to concerts, but he did it anyway. A couple weeks ago when I was visiting him in the hospital, I had a headache. Without a voice and in pain himself, he made sure a nurse went to go get me tylenol. He was still being a protective big brother even while battling cancer.

“ He was not only my kitchen manager but a dear friend. Ken and I didn't really click when he first hired me but over time we grew to really care about each other. Even after he left Martha's we were very close friends. The early he showed up at my house the day after Halloween with a big candy bag in hand. Visited him many times at his Restaurant. I will miss you so much. You were one of my best friends. I don't even know how life will be the same without you. I love you my brother. Thank you for my special goodbye. Will cherish it forever.

“ I first met Ken in grade 11. We were both at a friends party in Red Deer and Ken was kind enough to give me a ride home. After he dropped me off he ended up getting his car stuck in the ditch in front of my house and had to spend the night on my couch. The next morning we got the car out of the ditch and began a lifelong friendship. The

relief of knowing that your suffering has ended is overshadowed by the thought of not ever spending time with you again. You will be deeply and truly missed.
