“ Sincere condolences to the family on hearing of your sad loss. I first met Lennie 1967 through Dundas football. The following year he made me captain of the team. It was a pleasure to play for him. Over all these years we never had a wrong word. A true friend and gentleman. Lennie will be sadly missed by all who knew him.
Rest in peace my friend.

“ Brian Appleyard phoned me ,and I am sorry to hear about the death of Len and want to pass on my deepest condolences to Lynn, Steven, Mark and of course Edith.

It is 47 years ago (as a 19 year old new immigrant) that the Nicholson family invited me into your home for sunday dinner, and those invites kept on coming and I kept on going.
Your family's kindness has remained with me all these years .

The first time I met Len was at football. I'd arrived in Canada in an unseasonable heatwave in April 1970. Unused to the sun I proceeded to get a bad sunburn and it was Len, on our first meeting that applied some lotion , dose of sympathy and good humour.

The last time I visited with Len and Edith was in 2008 whilst visiting from Vancouver. They were both in great form and we had a great visit.

I have often thought of you and fondly remember your trip out west all those years ago.

Len always liked a laugh and that is how I will remember him.

RIP Len.
