

Margit Csiki (Haynes)

March 14, 1951 - October 14, 2019

It is with deep sadness that the family of Margit Csiki announce her passing on October 14, 2019. Margit, age 68, passed away peacefully after a long and valiant fight with dementia. She was the devoted and loving mother of Klaudia and Kristina Haynes and will be eternally missed by them. Her spirit and soul will live on through her children. Margit leaves a void in the hearts of dedicated family in England: Pauline (David, Richard, Lydia) Clifton and Melanie (Robin Hope) Haynes. Margit is survived by her mother, Christina Stadnyszyn. We will be forever grateful to Team Margit (Alba DiCenso, Maureen Montemuro, JoAnne Haynes, Donna Ciliska, Jane Krilyk, Joan Royle, Leslea Anderson, Helen Thomas and Margaret Black) for the compassion, dedication and care they showed Margit over the years. You brought light to Margit's life at the most challenging times and gave her so much to smile about and her smile could light up a room. Margit always believed that angels were present in her life - thank you Team Margit for being those angels. A deep and heartfelt thanks to Rosemarie Delgado and her family for their endless support for both Margit and her family. Your genuine caring and acts of kindness will be forever cherished. Thank you to all the staff at St. Joseph's Villa Adult Day Program, especially Melissa Folk and to others who showed love and understanding to Margit, particularly Christina Kumalo, Rachel McCallum, Nora Furmann, Rachel Nolan, Renee Turcotte, Sandy Sullivan and Nancy Rust. Finally thank you to the staff at Wentworth Lodge for their constant efforts to give Margit the best care, particularly over the last part of her journey. Margit is predeceased by her former husband, Anthony (Tony) Haynes and her father, Emmerich Csiki. Margit lived a very full life because she laughed often, lived well and loved always. A private Celebration of Life will be held at a later date. In lieu of flowers, donations to Wentworth Lodge would be appreciated.

“ Dear Kristina ,

I was so saddened to see of your mom's passing. I know from our chats and the chats I would have with your dad when he would come into the HHS - HR office, it has been a long road for all of you.

I often wondered how you were doing.

What a beautiful tribute, cherish the wonderful memories and keep them close to your heart. She will always be with you as will your dad.

Thinking of you

“ My deepest condolences to Kristina and Klaudia on the loss of their beautiful mother (and my sympathy to Pauline and the whole family). It was an honour to know Margit and I will remember her megawatt smile, her kindness, her intelligence, her joie de vivre, her fabulous entertaining skills (those dinner parties!) and most of all, her devotion to her girls. Her children were so well cared for, with so much attention to detail, and Margit was so proud of them and their achievements (she even wrote a book about parenting). Her girls, always impeccably dressed, were the centre of her life and the source of her happiness, and Margit made every day with them a celebration. Every day was filled with positivity and celebration, so when an actual holiday such as Valentine's Day came along... Margit was all in with celebrating, and decorating, and crafting, and gift-giving, and thank you note writing, showing her girls how to celebrate and appreciate life. She had so much class and she loved to have a reason for a gathering of friends and family. How appropriate that the same daughters who were the lucky recipients of her nurturing and love returned that nurturing and love tenfold when Margit got sick. Kristina - you should be very very proud of yourself for the unselfish way that you have honoured both your mom and your sister. She was so lucky to have you overseeing her care. I am grateful to have laughed with Margit, to have seen her as such a dynamic mom, to have been a recipient of her many kindnesses and hospitality, and to have known such a loving and dynamic woman. Rest In Peace, Beautiful Lady. Lori Edwards

“ I have lovely memories of Magrit from the month I spent in Canada with her and her family, and felt welcomed and looked after as if I were a member of the family. She was always smiling and telling me about her angels that looked over them. I loved going with her to have our nails done, going shopping with Tina and Sandy, and sharing meals and wonderful afternoons together in the house. I am sorry to hear of her passing and I know she will be sorely missed by her dear family and friends. All my love and I will always cherish my memories of the time I spent with her.
