

Monique Arbour

November 3, 1943 - September 2, 2019

On September 2nd, 2019, at the age of 75, Monique passed away peacefully after her long battle with cancer. She will be greatly missed by her children Nancy and Frederic Ward, her grandchildren, and her partner of 44 years Raymond Landry, who will always have fond memories of their time together. Monique was a hard worker, always learning how to gather more experience and knowledge which led her to be the VP of Finance and Administration at Mohawk College. As her cancer progressed, she was placed at Emmanuel House that provided excellent palliative care as per her own words. We agree from what we saw, a BIG THANK YOU to the staff. As per Monique's wish, private cremation as taken place. A Celebration of Life will be held at Circle of Life Cremation and Burial Centre, 100 King St. E., Dundas on Friday, September 6th from 1:00 p.m. to 4:00 p.m. (additional parking at the Air Force Club). In lieu of flowers, a donation to the Canadian Cancer Society or Emmanuel House would be welcomed.

“ Sadly I’ve come across this notice in an attempt to rekindle a friendship that had drifted softly away. Funny but I don’t remember just how we met, only that I invited Monique to join me at sacred circle dancing. We would join for supper in a park or a Dundas restaurant and go off to a restorative class of meditative music and candlelight. We visited at both homes a couple of times and one of Monique’s beautiful watercolours (red flowers on a blue quilt) has hung for years at our cottage. I’m sorry that none of us will share a coffee again but each of us will hold our memories.

“ Monique was a wonderful lady, who always made me, and I’m sure all other guests at her and Raymond’s home, feel completely welcomed. She had a ready smile, and laughed easily, and I will miss her warm personality. Raymond, please call me if you need anything - and I will keep in touch with you. Larry Madill

“ Monique was a wonderful friend. I will miss our garden walks, especially when gardening. She’ll be in my thoughts whenever I see the plant she gave me. Raymond, my thoughts are with you during these difficult days. Please remember that you have many friends you can call on, day or night, should you want to talk or just have company.

“ Monique was such a beautiful soul inside and out. I am so thankful that during my latest visit to Ontario, I got to see her and have a few laughs. Monique will be sadly missed. Our prayers to Raymond and the family.
