“ Bob was my brother, friend and the greatest example of a loving and caring brother. He was truly special, his love for his family, the joy he had with his friends. Some of my best memories of Bob are watching him play or enjoying sports, playing so many at times in his life. Playing football, hockey, baseball were several. I loved the times we would sit around the table, playing cards. Our sister Teresa, our mom and I and Bob would spend a lot of the time laughing and joking but the competition to win was sometimes loud but we often found amusement in it, Bob was a gentle, loving person, he was complete strength and love during some of the hard times in our lives, after the death of our father Thomas, our sister Teresa. He was my hero in so many ways. I know now that he will be watching over us with my father and sister at his side. I will miss him dearly but I know I will see him again. Love Cindy

“ Cindy, my heart is completely broken. Bob, your brother, was an amazing human being. His love of sports and his work ethic were two things that drew me towards him. Even more than this, was his jovial nature. His affable demeanor was as strong and powerful as his need for competition (sports)
