“ Rudi and I met a few years back and he became a good friend. Whenever I had a visit with Rudi I knew I was in for a history lesson Rudi loved talking about times when he was a child in Germany and always talked about his children (may they rest in peace). You were one of a kind Rudi and I will miss you. Rest in peace my friend

“ I believe Rudi and my father Paul Matthews were friends and that he lived with his family in the house down on Cooper Rd and East St in Dundas. I remember Rudi teaching me a few German words and I have never forgotten them. I often wonder if those few words lead me to visit Germany as a teenager then eventually my daughter doing a study aboard program there. She has a master's degree in German studies and is now working on a PhD. It is amazing how our lives intersect and one small thing can lead to a bigger thing for someone else. My thoughts and prayers are with you all as well as my father's. One last thing I also happen to work in the ICU in St Joes. May you all be filled with happy memories and find moments of joy as you think back on them.
