“ So many great memories from late 60s and early 70s. Good times when we didn't have much except each other. My friend for 50 years. I will so miss you.

“ I haven't seen Sandra in many years but I remember her fondly. Glad our paths crossed in our teenage years. We had good times growing up in Glace Bay. Wishing Sandra's family and friends the comfort of many happy memories.

“ Very sad to hear of her passing. Our sympathy to Willie and family. Sandy was a true friend, confidante and a joy to be around. Since day one she was like an extra Grandma to Keira and she will miss her visits, lunches and outings. Sandy was just an all around wonderful person and we feel so lucky to have had her in our lives. Susan Clothier, Ken Finlayson and Keira Finlayson
