

# Stephen Andrew Enright

March 7, 1964 - February 19, 2021

Passed away suddenly on February 19, 2021 at the age of 56.

Stephen, predeceased by both his parents, will be sadly missed by his life partner, Szilvia Passfield, his two children, Lucas and Emily, his siblings, and many nieces and nephews. Stephen will always be remembered for his sense of humour and his ability to make people laugh. His willingness to help others extended with his passing, and he would be proud to know his organ donation helped so many people. He was the proud owner of AD Barcode, a printing business he built from the ground up and successfully ran for over 25 years. He will be missed by his business associate, Heather Taylor and her two sons, Maxwell and Nixon.

A private family 'Celebration of Life' will take place later. In lieu of flowers, the family is asking for donations to be made to the Heart and Stroke Foundation.

“ Andrew was a great person. He was instrumental in helping us grow our business from our first introduction. He taught us so much about barcodes and printers and how they could improve our processes. He always had that great sense of humour, great smile and made us laugh with his stories and theory's. He would not hesitate to jump in his vehicle and drive to our plant to solve our latest printing issue. I will really miss Andrew and our great relationship. Our deepest condolences for his family as you must miss him dearly.

“ I dealt with Andrew for years in his business. He and Heather helped keep my business moving along and was always there to answer my seemingly endless questions. He was the guru of his industry.

Thank you Andrew, you will be missed.

Hugs and love to you both ❤️
